Dear Parents and Friends of Florida State University Schools:

I would like to introduce you to a new system our school has acquired to help protect your children – it's called V-soft. V-soft helps track visitors and volunteers at our school, thus providing a safer, more monitored environment for our students.

When visitors or volunteers check –in, they will be asked to present a valid state issued ID (Driver's License or other state issued ID) for entering into our system. The system has the ability to provide alerts on people who may jeopardize the safety of the campus.

I feel certain that this will help us keep our campus safer and ask for your cooperation in presenting your valid state issued ID when checking in at the school. Thank you for your assistance in keeping our campus safe.

Sincerely,

Jesse L. Jackson, Director
